SALIENT FEATURES OF FAMILY SECURITY SCHEME, IMA TS

Introduction

- **Aim of Family Security Scheme is to give financial support to the bereaved family of the member in the scheme in the event of unfortunate death.**
- This is a **Fraternity Contribution (FC)** Scheme, wherein, when a member in the scheme expires, the remaining members in the scheme contributes a fixed amount to the family of deceased members. The scheme is only the liaison between the members.
- The amount collected as FC, is distributed to the nominees of the deceased family as **Death Fraternity Contribution (DFC)**. This is Rs 20 Lakhs, which is disbursed immediately after the required amount is collected. This is unlike the Insurance policies, wherein the money collected as premiums is either invested or circulated for interest and is solely profit oriented.
- FSS is the scheme run by our IMA Telangana State, with all the financial transactions now totally transparent, regularly audited, overseen by State Financial Committee.
- Managed professionally by Managing Committee and FSS Council, represented by FSS members from all three Zones of Telangana.

Latest Features of the Scheme

- **AGE limit** for joining the **FSS** is now 60 years from 1st January 2023.
- **Period of payment of Fraternity Contribution** by a member has been **fixed to 30 Years, for new members joining the scheme.**
- **All existing members** will be given option of retirement **on attaining the age of 80 years, with their Fraternity Benefit.**
- **Window period:** There shall be a window period of **one year** for sending the FC bill as well as for payment of DFC in event of death.
- **Disability Benefit:** Members who have become disabled, due to illness or accident and no longer able to continue in profession, will be given option to retire from the scheme. They will be paid onetime settlement. However, if family wishes to continue membership of the member, they can do so.
- **Death Fraternity benefit: DFC of Rs 20,00,000/-** will be paid to the nominees of deceased member of the scheme, **within one month** of sending FC bill to the members. The DFC Benefit will be paid to designated Nominee, either by way of Cheques or RTGS to their respective Account as per prevailing conditions.
- **Fraternity Contribution:** The **FC** contribution per death is reduced from Rs 800/- to Rs 750/
